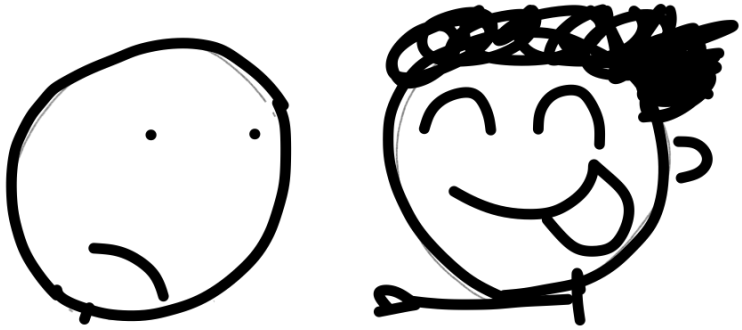
So hey my name is Victor and I'm in elementary school, I think I'm pretty awesome but my class doesn't think that. They think I'm dumb, ugly, weird and annoying, but my friend Brian doesn't

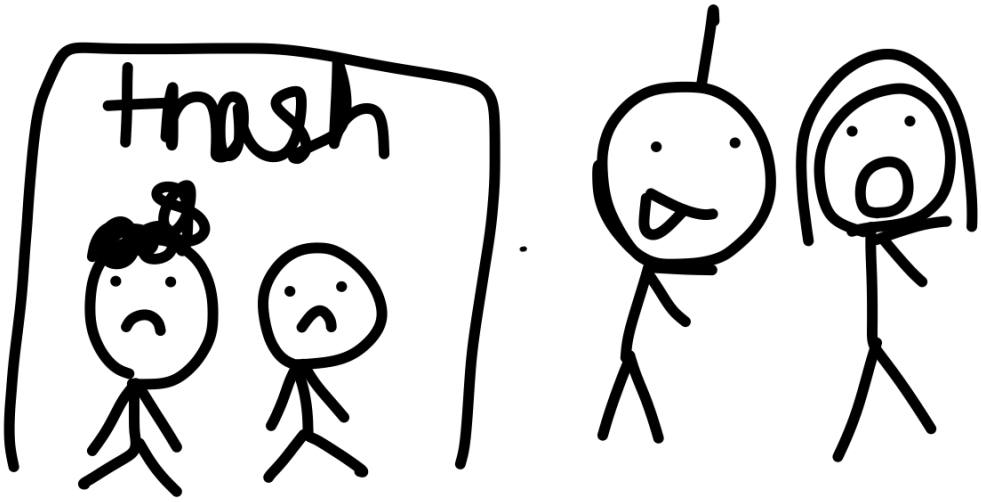
think that.
Maybe if I try getting actual muscles girl will like me. So today I tried putting my underpants over my shorts, I thought I looked like a superhero but oh boy I was wrong



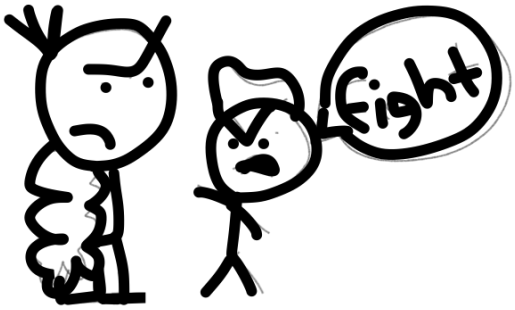
The next day: Today I signed up for a football match and I was the goal keeper. The goal keeper use there hands to catch the ball. And I was so bad at catching the ball it got lost, so the footballers came and gave me a treat

So today is the big table tennis tournament for the school, I was trying to take place because I am really good at it, but Johnny got it. But plot twist Johnny is my brother. He is very loving and caring so I don't care

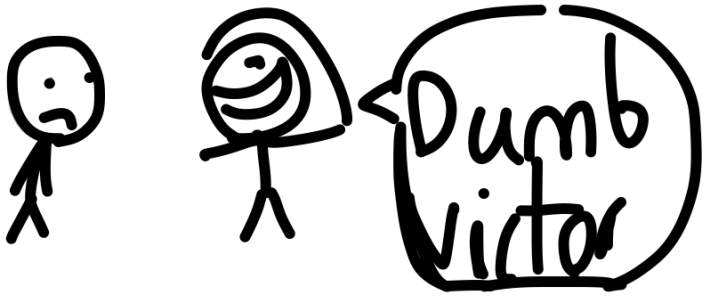
So everyday at lunch me and Brian have nowhere to sit. So we have to sit on the floor by trash can…… EVERY SINGLE DAY



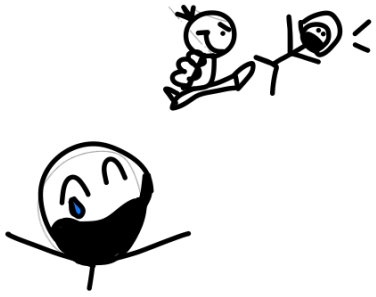
So today some kid named Alex tried to fight the biggest kid in our school, Brad Marion. And it did not go so well for Alex, RIP



I wanted to be a magician because girls in my school love magicians. So I brought a bunny and a hat to School to see if every one will be impressed but every girl was laughing saying I was dumb like a rock.

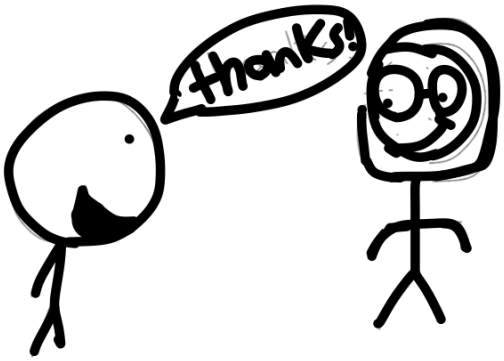


So I called brad to take care of the girls in my class, he said he'll do it for 5 bucks. So I payed him and he did it. What a true friend

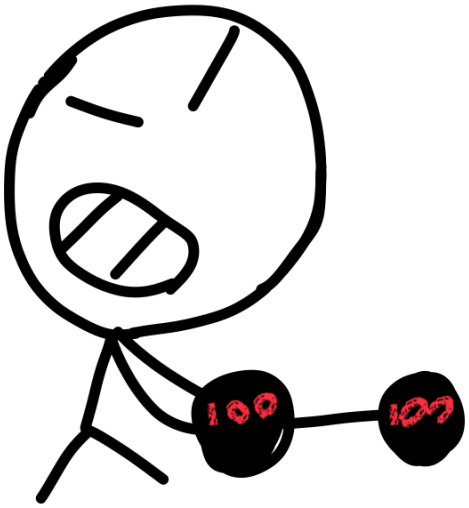


So I brought my pet goldfish to school today thinking I will win show-and-tell, that did not go well because a kid brought there cat to school and well I don't wanna talk about it.

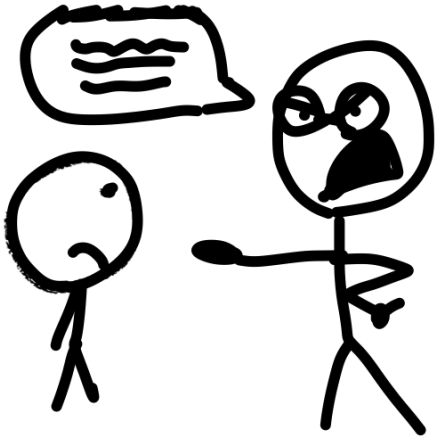
Christmas day
So today is Christmas and my mom bought me sandals, shorts, socks and shirts. But I realized I have to be grateful for all my gifts because some kids wish to get that so I loved it!



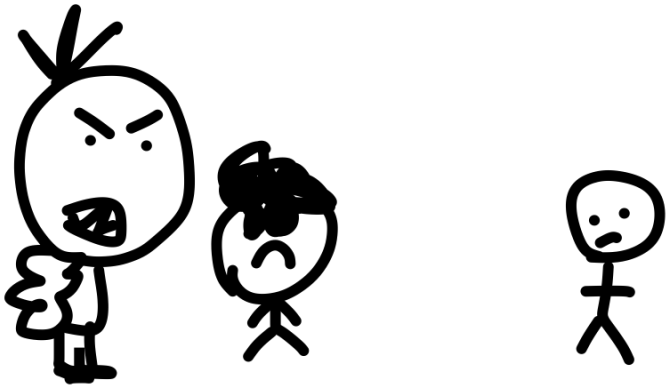
So I tried flexing my muscles in class today and my teacher Mr Hook said I have epic muscles and I should lift up 100 pounds so i said yes I can. That did not go so well



Today me and Brian was not friends anymore because of a fight. Brian was so angry he told Mr .Micheal the principal that I was being mean to him and I got in big trouble for no reason.



So Brian came up to me asking for his video game back. I said no it is mine now and Brian wanted me to fight him so I said yeah duhhh. Brad came and was going to punch Brian.



When brad was going for the punch I pushed brad away and surprisingly he got knocked out. And everyone was cheering and me and Brian became best friends forever. The end
